Library Staff and Board

MESSAGE FROM THE BOARD CHAIR

As the Board, we are grateful to the staff members for their dedication and commitment to providing quality service to the community. The Schreiber Public Library focuses on reading, literacy and learning, and it is the staff that deserves credit for the many successes in these areas. The Library Board and Staff are striving to maintain a system that continues to meet the needs of our residents as well as visitors. The Board and Library staff is fortunate to be working with a Town Council which recognizes that the Library enriches the community and adds to the economic vitality of the town; their support has been greatly appreciated. This year the library received a Certificate for Accreditation from the Ministry of Tourism, Culture and Recreation.
