MESSAGE FROM THE BOARD CHAIR

The Board is grateful to all our staff members for their dedication and commitment to providing quality service to the community. The Schreiber Public Library focuses on reading, literacy, learning and much more. The Library Board and Staff strive to maintain a system that continues to meet the needs of our residents as well as visitors. We are fortunate to be working with a Town Council which recognizes that the Library enriches the community and adds to the economic vitality of the town; their support has been greatly appreciated. We encourage feedback, positive as well as constructive criticism, so we may continue to provide the best possible service to our community.
